NEET UG Counselling – Complete Overview

Understanding NEET UG

The National Eligibility cum Entrance Test (Undergraduate) – NEET (UG) is India's single, standardized entrance examination for students aspiring to pursue undergraduate medical programs such as MBBS, BDS, and AYUSH courses (BAMS, BUMS, BHMS, etc.).

This examination serves as the gateway for admissions into government, private, and deemed medical institutions across India, and is also mandatory for Indian students planning to pursue MBBS abroad.

Seat Availability in India

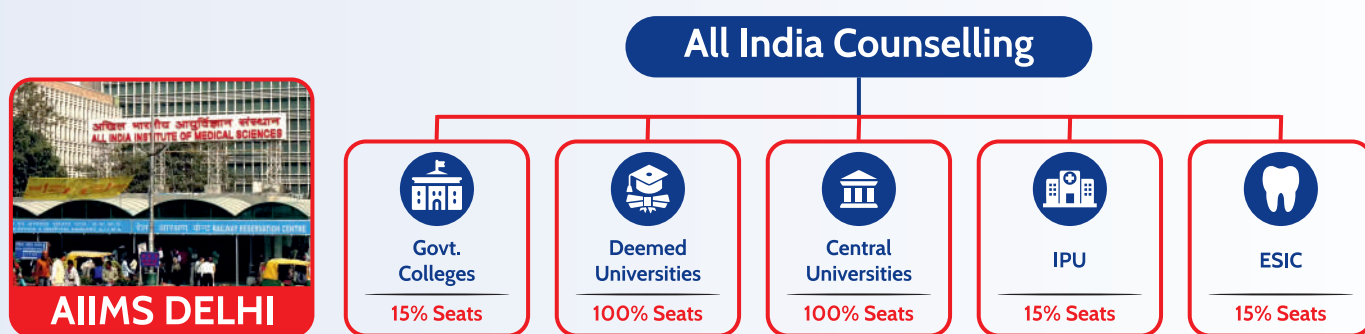

Based on current data, NEET-qualified candidates compete for:

- ◆ **MBBS Seats:** 1,29,453+ seats across 823+ medical colleges
- ◆ **BDS Seats:** 28,000+ seats across 330+ dental colleges
- ◆ **AYUSH Seats:** 52,720+ seats across 500+ colleges

Despite the large numbers, the demand-supply gap remains significant, making informed decision-making essential.

Under Supervision of MCC

MCC / ALL INDIA QUOTA

MCC oversees and finalises the counselling schedule and admission procedures for both All India Quota and State quota seats across the country.
