SEVASTOPOL STATE UNIVERSITY

Established: August 2014 | Location: Sevastopol,
Russia

About University

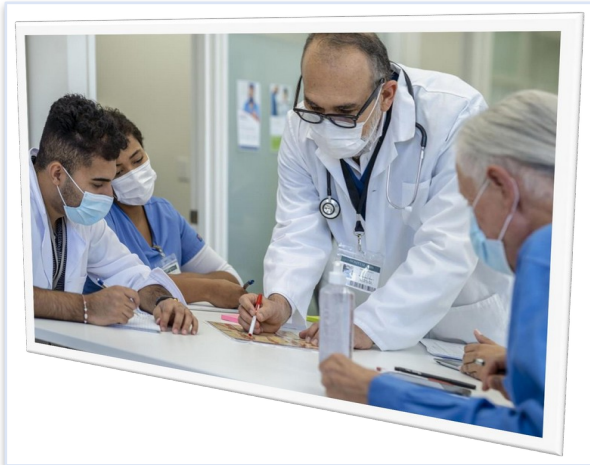

The Federal State Autonomous Educational Institution of Higher Education "Sevastopol State University" (SevGU) is the largest higher educational institution of Sevastopol and Crimea. It was founded on October 8, 2014, by a decision of the Government of the Russian Federation. The corresponding decree was signed by the Prime Minister of the Russian Federation, Dmitry Anatolyevich Medvedev. Since then, this date has been celebrated as the university's foundation day. On April 16, 2015, Sevastopol State University received state accreditation from the Federal Service for Supervision in Education and Science.

Eligibility Criteria

- You are at least 17 years old.
- You have passed Class 12 with PCB and English from a board recognized by the authorities in India.
- You have secured a minimum of 50% in PCB in 10+2.
- You have qualified NEET Exam.

Admission Process

The process for getting admission in MBBS in Russia is very simple. Russian medical universities do not require Indian students to pass any entrance exams for admission in the MBBS course. Admissions are based on first come first served, subject to the candidate satisfying the eligibility criteria set by the Russian medical university and NMC for Indian students.

Career Opportunities

- Distance Learning Courses for Foreign Citizens
- Bachelor's Degree Programs
- Specialist's Degree Programs
- Master's Degree Programs
- Doctorate Programs
- Professional training programs
- Lifelong learning opportunities
- Educational projects
- Access to educational activities
- Environmental education
- Academic Freedom
