India-Uzbekistan Partnership

A growing relationship supporting student mobility, culture and education

Why this matters for Indian MBBS aspirants

- Close bilateral engagement improves confidence for education planning.
- Uzbekistan is presented as a safe, student-friendly Central Asian country.
- Cultural familiarity and Indian student presence make adaptation easier.
- Growing connectivity helps in travel, visa and family comfort planning.

Facilities for Students in Uzbekistan

Campus, hostel, transport and city-level support ecosystem

Campus & Learning

- Modern university infrastructure
- Clinical exposure and academic support
- Internet-enabled campus ecosystem

Hostel & Food

- Separate hostels for boys and girls
- Indian mess / food facility
- Student-friendly stay arrangements

City Support

- Safe country environment
- Local transport support
- Shopping, pharmacy and daily-need access

Arrival Support

- Airport pickup support
- Initial settlement help
- Post-arrival coordination with parents

Documents Required & Admission Process

Keep documents ready before applying to avoid delays in admission, telex and visa

Admission Offer Letter Documents

- Class 12 marksheet copy
- NEET scorecard copy
- Passport with minimum 1-year validity
- Passport-size photographs with white background

Telex / NOC / Visa Processing Documents

- Class 12 marksheet original
- Passport with minimum 1-year validity (original)
- Valid NEET scorecard copy
- 12 passport-size photographs for visa

Admission Process

Submit scanned documents → receive offer letter → apply for telex/visa → embassy submission → receive visa → airport pickup & hostel joining.
